### Summary of reasons for decision:

The image depicts two females who are likely teenagers, sunbathing in bikinis beside a body of water. The image is not reasonably capable of being regarded as sexual in nature. It does not deal with matters of sex, or any other matters under s3(1) of the Films, Videos and Publications Classification Act 1993, nor does it raise any issues under ss 3A or 3B of that Act. It must, therefore, be classified unrestricted. The unrestricted classification places no limitation on the right to freedom of expression provided by the New Zealand Bill of Rights Act 1990.
